

Computer Society of India

CSI-Nihilent e-Governance Awards 2010-11

Recognizing e-Gov initiatives since 2003

Seeking Success Stories that made a Mark!! Nominate to Win!

The Computer Society of India (CSI) has instituted a series of awards for recognizing the contributions made in the field of e-Governance in the country. These awards have been sponsored by Nihilent Technologies since inception and conducted by CSI-SIGeGov.

This is the ninth year that these Awards in e-Governance are being presented. The basic objective of these awards has been to recognize and appreciate the successful efforts under four different categories namely at the **State, Department, District and Project** level in achieving good governance using ICT initiatives. The Awards will be presented during the CSI Annual Convention in Ahmedabad between 1st to 3rd Dec 2011.

Participation is open to all Government Organizations & Semi-Government Corporations, Central/State Departments, District Collectorates, Municipal Corporations, Autonomous bodies including Public Sector Undertakings.

Judging process

- Entries to be submitted on-line against one of the specified Award categories.
- Quality of the content submitted by the applicants will be one of the important part of the evaluation process; Followed by ground level situation during field visits and presentation to Selection Committee with short listing at each stage.
- Awards for the year 2010-11 will consider the major effort, contribution and value addition during the period 1st Apr 2010 to 31st Mar 2011.
- Evaluation is based on two main indicators namely Results (Outcome) and Enablers (Process, Technology, Finance etc). More details on this are provided under Nomination Submission Guidelines (Downloads) on the Award website.

Nominate your Success Story and get recognized!

Only Online Nominations are Accepted!
